RAILS-to-TRAILS of WAYNE COUNTY

Dear Prospective RTWC Member:

Rails-to-Trails of Wayne County is a non-profit organization dedicated to the promotion, development, and conversion of un-used railroad and greenway corridors into multi-purpose, non-motorized, public paths. We are comprised of local citizens with the common interests for enjoying trails in many different forms including bicycling, walking, rollerblading, and horseback riding. The benefits of trails are numerous from improving health and fitness to economic development as well as preserving natural areas and historical sites.

Much of our work involves community development. And, those communities fortunate enough to have potential or completed trails are rallying around their new-found treasures. And, if you are a citizen of any part of Wayne County, you should expect to be no more than 15 miles from one of these treasured trails.

Therefore, to sustain and expand our efforts, we ask you to become a member of Rails-to-Trails of Wayne County. One benefit of membership will be your receipt of newsletters (and emails if you are a user) reporting our different trail projects in various stages of development. The major effect of your membership, however, will be to fund trail maintenance activities and to supplement grants that are essential for major Wayne County trail projects.

The form below is based on your ability and commitment to give both time and money to the program. Many thanks for your help and generosity. We look forward to an exciting future for RTWC!

Don Noble II, President
Rails-to-Trails of Wayne County Board
